

118TH CONGRESS
2D SESSION

S. RES.

Designating September 2024 as “National Childhood Cancer Awareness Month”.

IN THE SENATE OF THE UNITED STATES

Mr. MANCHIN (for himself, Mr. SCOTT of South Carolina, Mrs. CAPITO, Mr. REED, Mr. CASEY, Mr. HAWLEY, and Mr. GRAHAM) submitted the following resolution; which was referred to the Committee on

RESOLUTION

Designating September 2024 as “National Childhood Cancer Awareness Month”.

Whereas each year more than 14,500 children under the age of 19 in the United States are diagnosed with cancer;

Whereas every year more than 1,500 children in the United States lose their lives to cancer;

Whereas childhood cancer is the leading cause of death from disease after infancy and one of the leading causes of death overall for children in the United States;

Whereas the 5-year survival rate for children with cancer in the United States has increased from 58 percent in the mid-1970s to 85 percent in 2024, representing a significant improvement from previous decades;

Whereas 60 to 90 percent of children in the United States who survive cancer will develop at least one chronic health condition, and some survivors may face a late effect from treatment that can be severe or life-threatening; and

Whereas childhood cancer occurs frequently and spares no racial or ethnic group, socioeconomic class, or geographic region: Now, therefore, be it
