118TH CONGRESS S. RES.
Designating November 2024 as "National Homeless Children and Youth Awareness Month".
IN THE SENATE OF THE UNITED STATES
Mr. Manchin (for himself, Ms. Collins, Mr. Reed, Mr. Coons, Ms. Klobuchar, Ms. Hassan, Ms. Hirono, Mr. Van Hollen, and Mr. Blumenthal) submitted the following resolution; which was referred to

RESOLUTION

the Committee on

Designating November 2024 as "National Homeless Children and Youth Awareness Month".

- Whereas, in the United States, public schools identified nearly 1,400,000 enrolled homeless children and youth during the 2022 to 2023 school year, a 14 percent increase from the previous school year;
- Whereas every year an estimated 1,200,000 children younger than 6 years of age, and approximately 4,200,000 youth and young adults, experience homelessness, with many of those children, youth, and young adults staying on couches, in motels, in shelters, or outside;
- Whereas infants experiencing homelessness are at a higher risk for certain illnesses and health conditions;

NEW24899 P5N S.L.C.

- Whereas families experiencing homelessness are more likely to experience involvement in the child welfare system and difficulty with school attendance;
- Whereas more than 52 percent of students that experienced homelessness during the 2021 to 2022 school year were chronically absent, a rate 22 percent higher than other students;
- Whereas, in 2021, high school students experiencing homelessness were nearly twice as likely to have seriously considered suicide or made a suicide plan and more than 3 times as likely to have made a suicide attempt within the past year;
- Whereas individuals without a high school degree or general educational development certificate are over 4.5 times more likely to report homelessness than their peers who completed high school, making lack of education the leading risk factor for homelessness;
- Whereas, in 2022, the high school graduation rate for students experiencing homelessness was 68 percent, compared to 80 percent for low-income students and 85.5 percent for all students;
- Whereas the rate of youth homelessness is the same in rural, suburban, and urban areas;
- Whereas 29 percent of unaccompanied homeless youth between 13 and 25 years of age have spent time in foster care, compared to approximately 6 percent of all children;
- Whereas homelessness among children and youth is a complex issue that often occurs with deep poverty, low education and employment levels, substance misuse and use disorders, mental health disorders, lack of affordable housing, and family conflict; and

NEW24899 P5N S.L.C.

Whereas awareness of child and youth homelessness must be heightened to encourage greater support for effective programs to help children and youth overcome homelessness: Now, therefore, be it
