SBA Offers Disaster Assistance to Residents of West Virginia Affected by Severe Storms, Flooding, Landslides and Mudslides

WASHINGTON – The U.S. Small Business Administration’s Administrator Maria Contreras-Sweet issued the following statement after the announcement of the Presidential disaster declaration for several counties in **West Virginia** affected by the severe storms, flooding, landslides and mudslides that began on June 22, 2016.

“The U.S. Small Business Administration is strongly committed to providing the people of West Virginia with the most effective and customer-focused response possible to assist businesses, homeowners and renters with federal disaster loans. Getting businesses and communities up and running after a disaster is our highest priority at the SBA.”

The disaster declaration covers the counties of Greenbrier, Kanawha and Nicholas in **West Virginia**, which are eligible for both Physical and Economic Injury Disaster Loans from the SBA. Small businesses and most private nonprofit organizations in the following adjacent counties are eligible to apply only for SBA Economic Injury Disaster Loans: Boone, Braxton, Clay, Fayette, Jackson, Lincoln, Monroe, Pocahontas, Putnam, Raleigh, Roane, Summers and Webster in **West Virginia**; and Alleghany and Bath in **Virginia**.

Businesses and private nonprofit organizations may borrow up to \$2 million to repair or replace disaster damaged or destroyed real estate, machinery and equipment, inventory, and other business assets.

For small businesses, small agricultural cooperatives, small businesses engaged in aquaculture and most private nonprofit organizations, the SBA offers Economic Injury Disaster Loans to help meet working capital needs caused by the disaster. Economic Injury Disaster Loan assistance is available regardless of whether the business suffered any physical property damage.

Disaster loans up to \$200,000 are available to homeowners to repair or replace disaster damaged or destroyed real estate. Homeowners and renters are eligible up to \$40,000 to repair or replace disaster damaged or destroyed personal property.

Interest rates are as low as 4 percent for businesses and 2.625 percent for nonprofit organizations, and 1.625 percent for homeowners and renters with terms up to 30 years. Loan amounts and terms are set by the SBA and are based on each applicant’s financial condition.
